

Studies to create a better future for yourself

**Unlock your
potential**

Aspire2 International

Preparing students with work-ready skills in modern growth industries, and the chance to experience life in New Zealand.

Study for a practical qualification with us in New Zealand – a clean, safe, modern country with a global outlook.

You will be setting yourself up for a promising career through the knowledge you acquire, the support you'll receive from our staff, and the self-development that comes from living in a new country.

Aspire2 International Limited is a duly incorporated company which owns and operations registered training providers established as a private training establishment under the Education Act 1989 whose address for service is 20 Hobson Street, Auckland (Aspire 2). Consisting of: Aspire2 International Hospitality & Healthcare Limited, Aspire2 International Business & Technology Ltd, and Aspire2 Education Ltd.

Welcome!

Discover your future with Aspire2 International

“

Whether you're just starting out, or ready to take the next big step in your career, you've come to the right place. We offer a full range of quality programmes to help you find the right employment or set you up for further study.

We are a “whanaungatanga” – an extended family that gives each member a sense of belonging – and you will become a valued member of that family. It takes all sorts to make a family, and that's why we foster multicultural understanding and celebrate diversity.

You will work with a great team of expert teachers who love what they do, and who strive to make your study experience rich, enjoyable and successful.

As an international student, Aspire2 International has everything you need – friendly support whenever you need it with your study, language or getting a job. We are here to help and encourage you.

We can't wait to meet you on your first day!

Welcome to Aspire2 International.

Clare Bradley
Chief Executive

Key Information for Students

Why choose New Zealand?

New Zealand is a great place to study, and offers many exciting opportunities for both international and local students.

New Zealand makes you feel welcome

Kiwis are some of the most welcoming people that you will ever meet. Just under five million people live here, and it is one of the safest places in the world. Over 30 nationalities call New Zealand home.

Highly regarded educational system

In New Zealand and at Aspire2 International, you are guaranteed the high quality, hands on education you deserve. The support services for international students are among the best in the world.

Stable economy

We have a democratic system of government and our economy is growing and stable.

Work opportunities

We recognise that for many international students it is important to be able to work, to support day to day living. In New Zealand, there are work opportunities available for international students. On a student visa, you are allowed to work up to 20 hours a week during your study and full time during semester breaks.

Why choose Aspire2 International?

City-centre
campuses
in top
New Zealand
cities

Our campuses are located in three of New Zealand's most popular cities. Each city is a gateway to a beautiful and unique part of New Zealand. The campuses are located in the centre of each town amongst stores, businesses, utilities, eateries, and entertainment options. Not only that, you will have everything you need to learn and succeed. We work with employers in each location so you have every chance to launch or extend your career as part of your studies. Our organisation consists of: Aspire2 International Hospitality & Healthcare Limited, Aspire2 International Business & Technology Limited, and Aspire2 Education Ltd.

Study for real jobs in real industries

All our programmes have a practical focus. Everything you learn will give you the skills to work in your chosen career. We work closely with industry partners to ensure that what we are teaching is what they are looking for when you graduate. Throughout your study, you will gain insights into real industries by hearing directly from our industry partners.

Expert tutors who make a difference

Launching or extending your career begins with a positive, engaging study experience. Whatever path you are taking, that's just what you will get by working with our dedicated and talented teachers, and enjoying our welcoming campuses.

Counselling and support

When you are studying a long way from home, sometimes you might need someone to talk to. Feeling relaxed and enjoying your learning experience is a large part of your success, so we have counsellors to help you sort out any problems – in your first language.

Help with employment

The Aspire2 Work team are dedicated to helping you find work – whether that is part time work while you study, or full time work in your holidays or when you have completed your studies.

An up-to-date range of study options

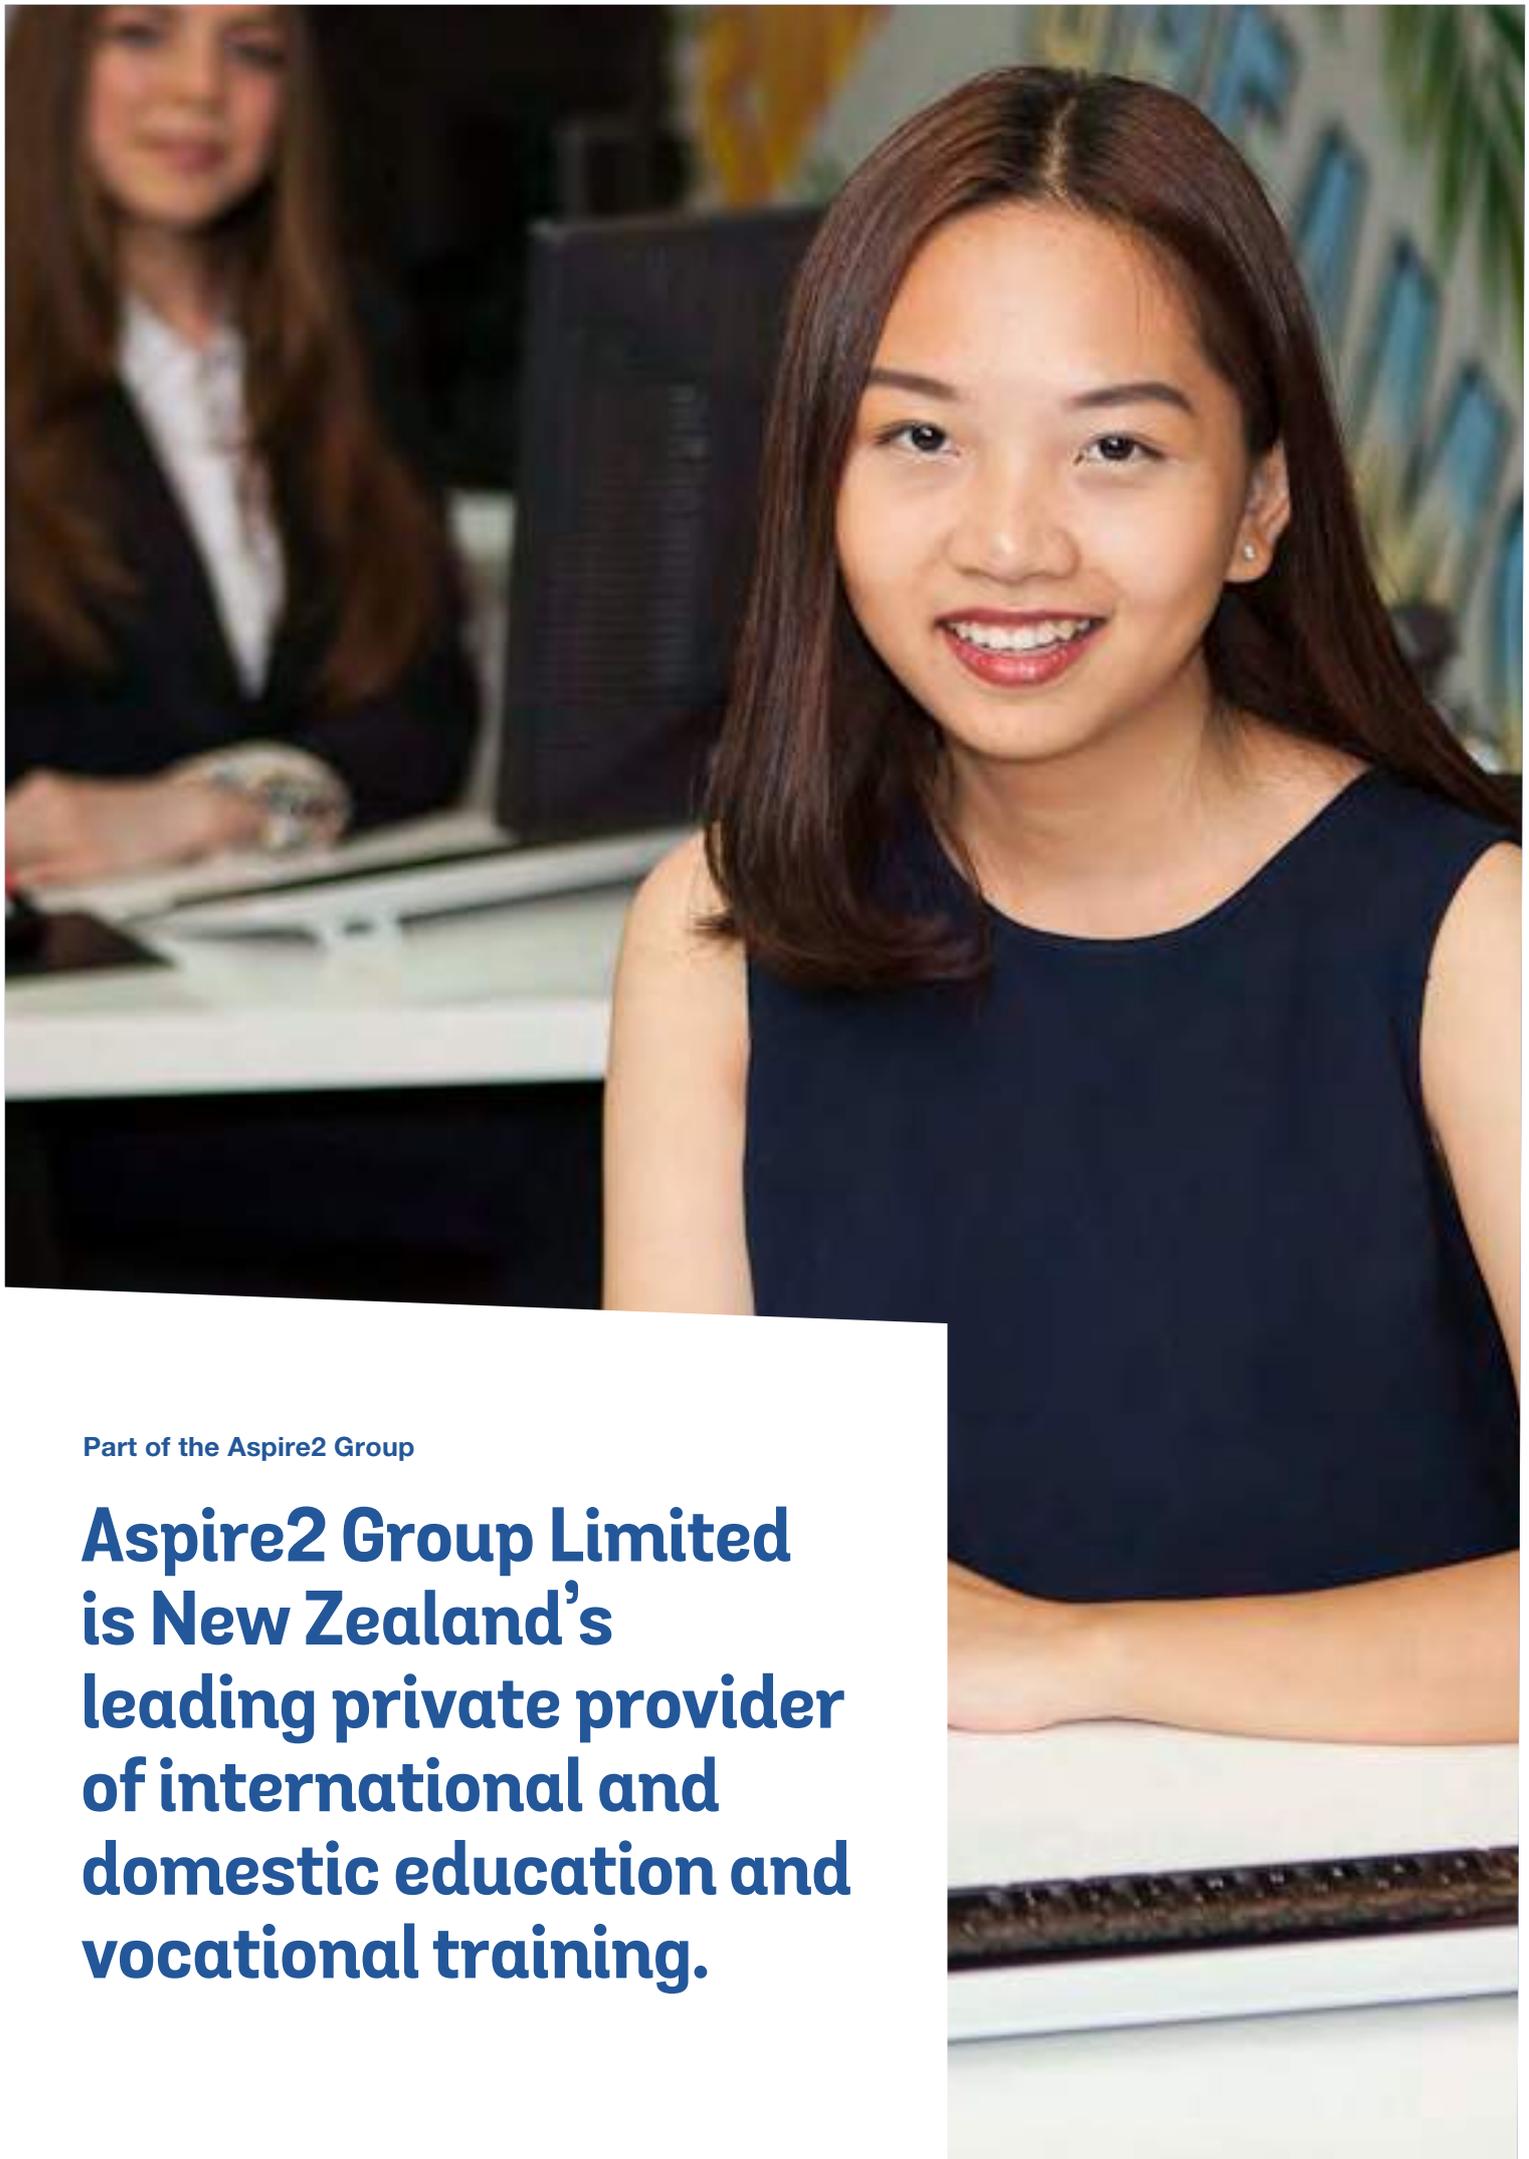

Our English language programmes and our range of diplomas and certificates are delivered using up-to-date techniques and content, and aligned with industry standards. We work with the New Zealand Qualifications Authority (NZQA) and industry leaders to keep our curriculum fresh and relevant.

Time for work and play

Life at Aspire2 International isn't all hard work – learning a new language, new concepts or new ideas can be tiring. It's good to balance that work with plenty of fun, and that's why we organise activities to encourage you to mingle with other students and, if you're coming from overseas, to experience Kiwi life.

Part of the Aspire2 Group

**Aspire2 Group Limited
is New Zealand's
leading private provider
of international and
domestic education and
vocational training.**

Aspire2 Group provides education and vocational training to domestic, international and business to business students. Our vision is to create future opportunities for our students by providing world class programmes. Our overarching objective is to deliver the best possible employment outcomes for our students.

Aspire2 Group has three divisions across international, domestic and business to business. This formidable combination delivers not only the highest quality education experience, but internationally recognised qualifications, pathways and opportunities to meet and work with New Zealand employers.

Together we are focused on creating your future opportunities.

Graduation

We host a number of graduation ceremonies across all of our campuses every year, celebrating the achievements of our graduates as they continue their careers here and overseas.

Agents

Showcasing our student offering for our education agents is a priority for Aspire2 International. We host a number of successful events and training sessions for our partners throughout the year

Cultural Events

Our students enjoy a fantastic number of campus events celebrating Orientation Week, Maori Language Week, Russia Day, Japan Day, Taste of Korea, Latino Day and many more.

We celebrate the important anniversaries of our global citizens with Chinese New Year and Diwali being calendar highlights each year.

Employers

Our relationship with New Zealand employers is of utmost importance to us. Local businesses hold talks, workshops, and events at Aspire2 International campuses. Aspire2 Work is active with local industries to bring together businesses, students, and graduates

Pastoral Care

Aspire2 International is there for you if you need counselling, care, advice, and support. We will help you and do what we can so you can have a positive New Zealand study experience

Photo Competitions

While our students enjoy their term breaks we celebrate the beauty of New Zealand and their adventures with a number of competitions run through our social platforms. The winning entries demonstrate just what a great destination New Zealand is for international students and just how breathtaking our beautiful country is!

New Zealand Conference of Business and Technology

Aspire2 International has created a conference that bridges the gap between academic analysis and industry requirements, the only conference of its kind in New Zealand for private tertiary providers

Industry Events

Aspire2 International faculties encourage students to participate in innovation and business expos as well as industry competitions. We are extremely proud of the efforts of our students who took away a number of medals in 2018 at the NZ Hospitality Championships, including NZ Barista of the Year and the 2018 NZChefs

Our Campuses

Aspire2 International has four campuses, in three of New Zealand's most vibrant cities, that cater to over 3500 students from all over the world. Located close to shopping malls, restaurants and theatres our campuses offer students the opportunity to explore everything New Zealand has to offer.

Aspire2 International nurtures relationships with the business communities in each city, creating opportunities for you to get practical experience through part time employment while you study, and helping you launch your career.

Each campus has the facilities you need including: a student café and courtyard, free wi-fi, a student library (Christchurch eLibrary only) right down to on-site bicycle parking. Aspire2 International campuses have everything you need to learn and succeed!

Auckland City Campuses

Auckland City Campus

Located in the North Island, Auckland is New Zealand's largest city and home to a third of the country's population. This vibrant, multicultural city is full of restaurants, shopping malls, theatres, and activities. It's location between two harbours means there are plenty of wild beaches, islands, and beautiful coastal scenery to explore. As New Zealand's financial and economic centre, there are employment opportunities in many sectors of the economy. Our Auckland campus is located in the heart of the city centre amongst the country's top art, culture, and commerce organisations; and easily accessible by public transport.

Henderson Campus, Auckland

Our purpose-built Cookery campus is located in the Auckland suburb of Henderson, in a popular tourist area because of its vineyards, dining options, and locally grown fresh produce. Because of our multicultural influences, New Zealand food has a vibrant style and many of our Chefs are internationally recognised. Auckland is packed with restaurants and eateries serving a wide variety of cuisine from all over the world, creating a unique study experience and a great place to launch your career in cookery.

Tauranga Campus

Tauranga is New Zealand's fifth largest city and the economic hub of the Bay of Plenty region. Many national and international businesses are based there offering opportunities for employment. The Port of Tauranga is the country's largest port and the city is well connected to other New Zealand cities, and easily accessible by car, bus, and plane. Tauranga is famous for its good weather, high quality of life, and new job opportunities, making it a popular destination for study and work. Aspire2 International's Tauranga is located in the centre of town, close to the waterfront, civil amenities, boutiques, and dining options.

“

Quintessential New Zealand:
sunny, friendly, beachy, and
lots of fruit!

Christchurch Campus

Christchurch is the largest city in the South Island and the second largest city in New Zealand. The city centre is being rebuilt with new bars, international restaurants and creative spaces appearing all over the city. This is great for students looking for part time work in the tourism, hospitality and construction industries. Christchurch is also the gateway to all the magnificent South Island scenery and amazing outdoor activities.

The Aspire2 International's Christchurch campus is located two city blocks away from Christchurch's famous photographed sites and landmarks.

“

So many cool places are being built, and the local scenery is breath-taking!

Our Programmes

At Aspire2 International, our practical approach to learning will help you graduate with the skills to be job ready. The programmes on offer cover a wide range of career paths, and academic pathways. So get started with Aspire2 International.

Level 7 with Specialisations

Strands:

- ✓ Retail Management
- ✓ Tourism and Hospitality Management
- ✓ Project Management

Delivered by

Aspire2 International Business & Technology

Auckland, Christchurch

120

Credits

120 credits
(equivalent to 1 academic year)

A qualification designed for people with prior qualifications or experience in business management, who wish to acquire knowledge and skills to pursue managerial roles in specific business sectors within New Zealand or internationally, or for further study in the field of business management.

What will I learn?

Graduates of this qualification may undertake further study towards degree programmes across a number of business disciplines, or towards professional qualifications at a range of tertiary institutions in New Zealand and abroad.

Core Papers

Managing People and Organisational Behaviour

Business and Marketing Communication

Applied Accounting and Budgeting

Strategic Operational Management

Elective Papers

Retail Management:

Functions of Retail Management

Retail Customer Orientation

Tourism and Hospitality Management:

New Zealand Tourism Management

Tourism and Hospitality Industry Strategic Management

Project Management:

Managing Projects

Project Quality Assurance

Am I eligible?

This programme is open to anyone aged 20 and over.

Students must have successfully completed an undergraduate degree or higher; or provide evidence of equivalent practical, professional, or educational experience.

Employment Pathways

Graduates will have a firm understanding of core business concepts and the practical skills needed to implement them. They will be able to work effectively in entry to mid-level management roles across a range of sectors, large to small sized firms, from established to start-up organisations.

On completion of this qualification, graduates will have an in-depth understanding of concepts underpinning: human resource management, planning, leadership, business communication, finance, innovation, entrepreneurship, marketing, operations management, and business systems. This programme enables graduates to pursue professional positions in business and management areas and the option to pursue higher studies.

For international students: If you are coming from overseas, to be eligible for this course you must:

Be 20 years of age or older*

IELTS[™]
6.0

Provide evidence of an IELTS overall band score of at least 6.0 (Academic), with no individual band less than 5.5

Have a Pearson Academic Test score of 50 and above with no individual band score less than 42

Have a C1 Expert Test PASS with no less than a pass in each skill

Diploma in Technology Management

Level 7

Strands:

Aspire2 International Business & Technology

Auckland, Tauranga, Christchurch

120

Credits

120 credits
(equivalent to 1 academic year)

Enhance your career in technology management and technology sales management. The skills you will learn can be applied to a new enterprise, an established workplace, or may lead to higher level management position or business study.

What will I learn?

This year-long programme is designed for students who would like to enhance their knowledge and skills in technology management, technology sales management, or enterprise development. Skills and knowledge gained through this programme can be applied directly to established workplaces, start-up enterprises, or used as the basis to enter post-graduate / higher level management / business study.

Core Papers

Financial Management

Project Management

Operations Management for Technology-based Enterprises

Advancing Sustainable and Profitable Businesses Using ICT

Elective Papers

Technology Marketing Strand

Consumer Behaviour

Marketing of Technology Products

Project: Marketing Planning for Technology Products and Services

Am I eligible?

This programme is open to anyone aged 18 and over.

Students must have completed a minimum L6 diploma or equivalent in a technology related area; or any degree from a recognised institution and at least 2 years of work experience in the technology area; or 5 years of relevant work experience may be admitted based on a business proposal that is acceptable to faculty.

Education Pathways

Graduates of this qualification may undertake further study towards degree programmes across a number of business disciplines at a range of tertiary institutions both in New Zealand and abroad.

Employment Pathways

Graduates of this qualification will have a firm understanding of core business concepts coupled with practical application skills acquired through their participation in the business project. They will be able to work effectively in professional entry-mid level management roles across a range of sectors in established and start-up organisations within both large and small organisational contexts.

For international students: If you are coming from overseas, to be eligible for this course you must:

Be 18 years of age or older*

Provide evidence of an IELTS overall band score of at least 6.0 (Academic), with no individual band less than 5.5

New Zealand Diploma in Information Technology Technical Support Level 5

Delivered by
**Aspire2 International Business
& Technology**

Auckland, Christchurch, Tauranga

120 

Credits
120 credits
(equivalent to 1 academic year)

A one-year programme that will equip you with the technical knowledge and hands-on experience needed for technical support positions. You will be able to pursue the IT/ Computing career with more confidence or move on to further study.

What will I learn?

You will gain skills in computer systems, application and system software, and network support and configuration in a New Zealand IT environment. You will learn to develop basic computer applications, administer databases, and gain an understanding of user support standards. New Zealand's professional, legal, and ethical principles and practices are also covered in this programme.

Core Papers

There are six modules that include the following topics:

Modern Data Communications

Applied Communications

Systems and Applications Support

Systems Installation and Maintenance

Application Design and Development

Database Development and Design

Am I eligible?

This programme is open to anyone aged 18 and over.

Students must have a certificate in Computing Level 3 or Level 4; or completion of Year 12 schooling or international equivalent; and/or appropriate related work experience.

Employment Pathways

Graduates of this diploma will have the skills and knowledge to work in IT roles such as computer technician, help desk and technical support officer, entry level network administrator, network engineer, and applications support analyst roles.

For international students: If you are coming from overseas, to be eligible for this course you must:

Be 17 years of age or older*
**For Auckland campus only and 18+ for other regions*

Provide evidence of an IELTS overall band score of at least 5.5 (Academic), with no individual band less than 5.0

Have a Pearson Academic Test score of 42 and above with no individual band score less than 36

Have a B2 Communicator Test HIGH PASS and above with no less than a pass in each skill

New Zealand Diploma in Systems Administration Level 6

Delivered by
**Aspire2 International Business
& Technology**

Auckland, Christchurch, Tauranga

120 

Credits
120 credits
(equivalent to 1 academic year)

This programme will equip you with technical knowledge and hands-on experience for systems administration, and skills in industry communication. With this diploma you will be able to pursue a career in IT, or move on to further study.

What will I learn?

On successfully completing this programme, you will be able to:

- Implement a range of technologies for systems and network services
- Plan and implement automated system and application software deployment
- Plan, implement, and manage a directory service
- Analyse a range of options and implement a solution
- Implement a server-based virtualisation infrastructure
- Administer infrastructure for remote network access
- Manage and administer a messaging and collaboration service
- Write scripts to automate standard system procedures
- Apply IT service and change management processes and procedures

Core papers

Network Services

Active Directory Services

Infrastructure Virtualisation

E-communications (project)

Applied Communications

Automated Systems Deployment

Am I eligible?

This programme is open to anyone aged 18 and over.

It is recommended that students have a New Zealand Diploma in Information Technology Technical Support Level 5; or equivalent knowledge, skills and experience

Employment Pathways

Graduates of this qualification will be equipped with the skills and knowledge required to enter into entry level IT roles such as IT technician, help desk,

Tier 1 and 2 desktop support, systems administration, and applications support. Successful completion of this diploma also enables students to study IT at higher, and more specialized levels.

For international students: If you are coming from overseas, to be eligible for this course you must:

Be 18 years
of age or older*

IELTS[™]
6.0

Have a C1 Expert Test PASS with no less than a pass in each skill

Graduate Diploma in Information Technology

Level 7

Delivered by
Aspire2 International Business & Technology

Auckland, Christchurch

120 

Credits
120 credits
(equivalent to 1 academic year)

The GradDipIT one-year programme delivers an integrated approach to developing your expertise as an IT professional. Individual subjects are important, but knowing the way they work together is critical. Equipped with this knowledge you will be eligible for positions such as project manager, software architect or developer, website administrator or network engineer.

What will I learn?

You will experience the systems development process and learn to integrate and build on the two core papers taught each term.

Core Papers

Systems Development Integration 1, 2, 3
Industry Project

Standard GradDipIT (no specialisation)

Java Programming
Internet Programming
Database Design and Development
Networking and Operating Systems

Am I eligible?

This programme is open to anyone aged 20 and over.

Students must have a qualification at Level 7 or above, worth at least 120 credits; or have gained approval under special admission criteria approved by the Aspire2 International Academic Board.

Employment Pathways

Students will be prepared for jobs as applications programmers (or software developers) and project managers to meet the very strong demand in the industry for mobile and internet/web applications, many of which make use of multimedia. The programme allows students to specialise and find work in either Internet Development and Digital Media or Mobile and Pervasive Technologies. It also opens postgraduate study options for successful graduates.

For international students: If you are coming from overseas, to be eligible for this course you must:

Be 20 years of age or older
(Recommended)

IELTS
6.0

Provide evidence of an IELTS overall band score of at least 6.0 (Academic), with no individual band less than 5.5

Have a Pearson Academic Test score of 50 and above with no individual band score less than 42

Have a C1 Expert Test PASS with no less than a pass in each skill

“

I really enjoyed the study style at Aspire2. All the lectures were well-designed and the tutors were always willing to help. The skills I gained at Aspire2 International, particularly around system development integration, have been very useful for my current role as an application analyst and tester at a communications network company.

Auckland, Christchurch, Tauranga

120

Credits

120 credits
(equivalent to 1 academic year)

This qualification teaches students the standards of professional practice for hospitality managers, supervisors, or team leaders in a junior or trainee role across a range of hospitality environments. Students learn about planning and monitoring arrangements for maintenance work in hospitality environments.

What will I learn?

In a year of study, you will gain the skills to work in a range of hospitality management roles including: commercial accommodation, food and beverage, facility utilisation, supply chain, and human resources. You will also obtain a Licence Controller Qualification as part of the programme.

Core papers

You will need to complete all of the following papers:

Facility and Resource Management

Team Management

Managing Perishability and Market Fluctuations

Creating Positive Customer Service Environment

Staff Leadership Project: Building a Customer Service Team

Operating Procedures in the Hospitality Industry

Advanced Food and Beverage Service Supervision

Commercial Accommodation and Management

Am I eligible?

This programme is open to anyone aged 18 and over.

Students must have a Certificate in Hospitality Level 3 or Level 4; or completion of Year 12 schooling.

Further study

Successful completion of this Diploma qualifies you to enter NZ Diploma in Hospitality Management Level 6, and pathways to study hospitality at bachelors level.

For international students: If you are coming from overseas, to be eligible for this course you must:

Be 18 years
of age or older

IELTS
5.5

Provide evidence of an IELTS overall band score of at least 5.5 (Academic), with no individual band less than 5.0

Have a Pearson Academic Test score of 42 and above with no individual band score less than 36

Have a B2 Communicator Test HIGH PASS and above with no less than a pass in each skill

New Zealand Diploma in Hospitality Management

Level 6

Delivered by
Aspire2 International
Hospitality & Healthcare
Auckland, Christchurch, Tauranga

120 

Credits
120 credits
(equivalent to 1 academic year)

This qualification equips students with the necessary skills required to work in management roles, with minimal supervision, across a range of hospitality sectors. Students will understand standards of professional practice for hospitality managers that can provide customer satisfaction in a range of hospitality environments.

What will I learn?

This programme will give you the skills and standards of professional practice to perform successfully in a range of hospitality environments. You will be able to work unsupervised in any hospitality management role.

Core papers

You will need to complete all of the following papers:

Managing and Developing Staff
Hospitality Business Performance
Operational Management in a Changing Environment
Hospitality Product Development
Communication and Leadership in the Hospitality Sector
Facilities Planning and Management
Innovation and Hospitality Sales
Issues in Hospitality Management

Am I eligible?

This programme is open to anyone aged 18 and over.

Students must have a New Zealand Diploma in Hospitality Management Level 5, or appropriate related work experience.

Further study

Success in this Diploma qualifies you to enter:

- Bachelor of Hospitality Management
- Bachelor of International Hospitality Management

For international students: If you are coming from overseas, to be eligible for this course you must:

Be 18 years
of age or older

Provide evidence of an IELTS overall band score of at least 6.0 (Academic), with no individual band less than 5.5

Have a Pearson Academic Test score of 50 and above with no individual band score less than 42

Have a C1 Expert Test PASS with no less than a pass in each skill

“

What I learned studying hospitality at Aspire2 International gave me skills and confidence. I felt ready for a quality job. I was able to find work for an upmarket restaurant in one of Auckland's finest hotels with the help from Aspire2 Work.

Teddy from South Korea

studied New Zealand Diploma in Hospitality Management at Aspire2 International's Auckland campus

Best Work Outcomes

Aspire2 work works with your chosen industry to give you the best chance of landing a job.

While you are still studying, Aspire2 Work will help you find part time work in your industry so you can be experienced and work ready when you graduate. You will also be supported to improve your interview skills, CV and cover letter. We will help you through the whole process - coaching, setting up job interviews - anything you need to help you get the right job.

Personal Development Programme

The Personal Development Programme is as an extended orientation for Aspire2 International students, (except students studying English).

This programme orients students towards the “4 Cs of better learning”

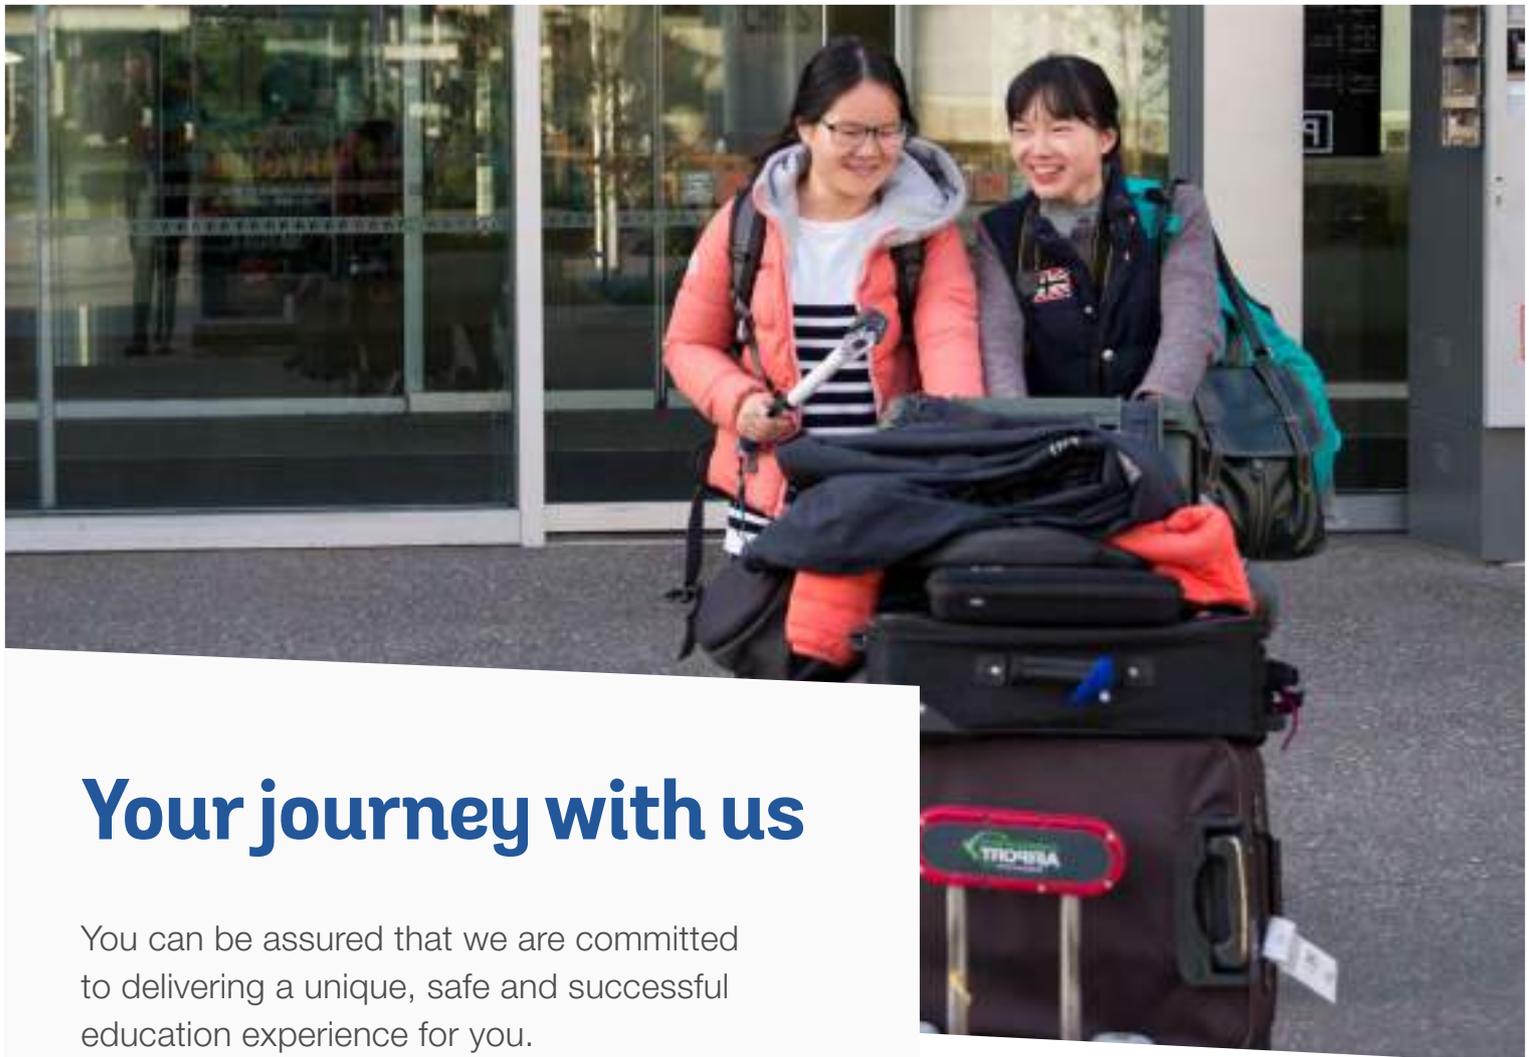

and in doing so, it helps students maximize their learning and to adjust well to live in New Zealand.

Students will cover 10 modules over the course of 2 weeks – each module is 2 hours

Modules include

- An introduction to New Zealand
- New Zealand - A Snapshot (Citizenship)
- Academic skills
- Academic integrity
- Research skills
- Collaboration
- Creativity and communication
- ... and more

studied at Aspire2 International, Auckland Campus

Key Information for International Students

Medical and travel insurance

International students must have appropriate and current medical and travel insurance while studying in New Zealand. It must include cover for student travel to and from New Zealand for the duration of time that the student is enrolled. We can arrange students' insurance through OrbitProtect (for more information go to www.orbitprotect.co.nz).

Alternatively, students can arrange their own insurance, and they must provide proof of suitable insurance at the time of enrolment. Please contact Student Support for more information on insurance:
studentsupport@aspire2international.ac.nz

If you have any questions about OrbitProtect insurance, or if you wish to make a claim once the policy is in force, OrbitProtect can be contacted on: 0800 478 833 or 0800 4 STUDENT if you're in New Zealand or +64 3 434 8151 (Reverse Charge) if you're outside New Zealand.

Health services eligibility

Most international students are not entitled to publicly funded health services while in New Zealand. If you receive medical treatment during your visit, you may be liable for the full costs of that treatment. Full details on entitlements to publicly funded health services are available through the Ministry of Health, and can be viewed on their website at www.moh.govt.nz

Accident insurance

The Accident Compensation Corporation provides accident insurance for all New Zealand citizens, residents and temporary visitors to New Zealand, but you may still be liable for all other medical and related costs. Further information can be viewed on the ACC website at www.acc.co.nz

Student withdrawals and fee refunds

Our fee refund policy is in accordance with the Education Act 1989 and amendments, and applies to international and domestic students. Please refer to our website for details aspire2international.ac.nz

Visas

International students are required to have a valid student visa during their stay in New Zealand. Once you have received an Offer of Place from us and you have paid your tuition fees, you should apply for a relevant student visa from Immigration New Zealand office
www.immigration.govt.nz

Student fee protection

The New Zealand Government requires all New Zealand Qualifications Authority (NZQA) registered Private Training Establishments to protect student fees paid to them in advance. We are registered for Fee Protect through The Public Trust, which has an unsecured capital guarantee from the New Zealand Government. For further information visit www.feeprotect.co.nz

Pastoral care

Aspire2 International promotes the wellbeing of students and supports them during their studies. We have agreed to observe and be bound by the Code of Practice for the Pastoral Care of International Students. Copies of the Code are available on request from Aspire2 International or from the NZQA website at www.nzqa.govt.nz. You should make sure you have read and understood the Code.

Warnings

Formal warnings will be given to students who take part in: poor attendance, academic misconduct, and behavioural misconduct. All warnings will be recorded, and warnings remain valid for the duration of the programme of study. In cases of Academic Integrity or Behavioural Misconduct where the violations are considered to be particularly significant an immediate Final Warning can be issued, or the matter can be immediately referred to the Disciplinary Committee.

“

Aspire2 International – setting you up for success

If you want to be the best, you need to learn from the best. At Aspire2 International our tutors are experts in their fields, highly passionate about their chosen profession and eager to share their knowledge and skills.
